3. Please click on 'Reject Interest'.

The screenshot shows a top navigation bar with links for 'Country Portfolio', 'Countries', 'Country Detail Levels', 'Country Assumptions', 'Product Targets', and 'Portfolio Projects'. Below this is a sub-menu titled 'What would you like to do?'. It contains four buttons: 'Create / Update Forecasts', 'Upload / Download existing assumptions', 'Confirm forecasts / Submit for approval', and 'Reject Interest'. The 'Reject Interest' button is highlighted with a red box and the number 3.

4. Please provide a reason for withdrawing interest / rejecting the FC Update request.

5. Please click on 'Next'.

The screenshot shows a dialog box titled 'Withdraw Country Interest'. It contains a message: 'By declining the forecast request, you will state your Country interest for all strengths as "no": current forecasts will be deactivated.' Below this is a text input field with the placeholder 'Reason for rejection by country' and the value 'No interest as Margin is low!'. At the bottom right are two buttons: 'Close' and 'Next', with the 'Next' button highlighted with a red box and the number 5.

6. Now, you can check in the CDL, the Country interest has been changed to 'No' for all the strengths. This has been sent for approval to your corresponding region.

The screenshot shows a 'Country Detail Level' page for project 'Apixaban FCT (412357) IT'. The top navigation bar includes 'Country Portfolio', 'Countries', 'Country Detail Levels', 'Country Assumptions', 'Product Targets', 'Portfolio Projects', 'Reports', 'Dashboards', and 'Forecast Requests'. The main area displays project details: Risk Status & Interest (Approved), Overall Project Status (Red dot), Parent Links (Product Tgt || Project || PLM), Lot Date (2026-05-17), and Ownership. Below this is a timeline from MS 0 to MS 9. On the right, there's a sidebar with tabs like 'Details', 'Launch Timeline', 'Forecasts & Tgt', 'Mtgs & Escalations', 'Regulatory', 'Status & SPC', 'Team & Sites', 'Files', and 'More'. The 'Forecast request Files and Details (0)' section is expanded, showing two entries under 'Country & ComOps Interest': '5 mg IT Italy' and '2.5 mg IT Italy', both with 'Country Interest: No' and 'ComOps Interest: No'. A red box highlights these entries and is labeled with the number 6.

7. The Forecast Request Status field in Country FC update request record has been marked with 'Rejected by country'.

- a. **Upon approval by regional portfolio**, the 'Forecast Request' will be removed from your 'to-do' list (Open Fcst Requests list in your country homepage) and Forecast Status in the CDL will be marked as 'Forecast Current'.
- b. **Upon rejection by regional portfolio**, Forecast Request will be re-initiated.

The screenshot shows a user interface for managing forecast requests. At the top, there's a world map icon, a search bar with placeholder text 'Search...', and a navigation menu with items like 'Country Portfolio', 'Countries', 'Country Detail Levels', 'Country Assumptions', 'Product Targets', and 'Portfo'. Below the menu, a header bar displays 'Country FC update request' and 'CDL-Req: 202305-02686'. The main content area has tabs for 'Details' (which is selected) and 'Country Strengths'. A red box highlights the 'Forecast Request' section under 'Details', which shows the status as 'Rejected by country'. The 'Country Strengths' tab has a red number '7' above it. To the right, another forecast request is listed with status 'Rejected by country' and ID 'Req-202305-00299'. Below the tabs, there's a section titled 'Key Details from CDL' with various status indicators and dates. At the bottom, there are sections for 'CDL forecast request Name' (CDL-Req: 202305-02686), 'CDL Req Link' (Apixaban FCT(IT)), 'Created By' (Shilajit Pramanik, 5/2/2023 9:43 AM), 'Last Modified By' (Shilajit Pramanik, 5/2/2023 10:46 AM), and 'Country Detail Level' (CDL-0012420).
